

I hereby undertake, I will follow below things mentioned as per the rules and regulations of CoachX.Live (Below mentioned as CoachX) as an Online learning platform, I have chosen for my upskilling requirements.

## Zoom Sessions

I will make sure to join all zoom sessions with a registered name. If I fail to do that, CoachX has the right to remove me from the sessions, as I understand that CoachX does not let any non-registered spammers join the session. So, I would take the necessary care.

## Telegram Group

I will make sure to join the telegram group with a registered name. If I fail to do that CoachX has the right to remove me from the group, as I understand that CoachX doesn't let any non-registered spammers join the class group and so I would take the necessary care.

## Payment Installment

I will make sure to pay the first instalment after two sessions without any follow-up before attending the third session and the next instalment after one month, if any follow-up is made for payment, I understand that it's part of the process.

I accept that in case of delay in payment, CoachX holds the right to stop my LMS access, further delay could cause me more consequences like stopping the access to live classes, telegram group, doubt-solving sessions and much more.

## Refund

I accept that I have the right to get a refund of the registration amount I have paid only if I have attended live sessions or the 100% recordings and informed CoachX right after two sessions and before I attend the 3rd session with a valid reason for cancellation on the email [wecare@CoachX.Live](mailto:wecare@CoachX.Live)

## Placement Assistance Process

I accept the fact that I am eligible for the placement assistance process only after clearing mock interviews with a minimum 75% score and completing all my assignments and projects given by CoachX mentors.

### Some important points you should read

#### Mock Interview

After the course completion, the mock interview will be scheduled on the weekend within a month of course completion, only the two mock interview attempts will be at No Cost from CoachX.

You need to email us at [wecare@CoachX.Live](mailto:wecare@CoachX.Live) that you are ready for the interview and then the CoachX team will help you arrange the same.

If you do not attend or don't clear the mock interview in the first two attempts, you need to pay Rs.500 for every mock interview until you clear it. Your Certificates will be released only after you score more than a minimum of 75% in the mock interview and complete all your projects.

#### Placement Process

##### When will your placement assistance start?

- You need to complete all the assignments and projects given by the trainer.
- You should have the dues cleared.
- You should clear mock interviews and project assignment reviews with more than 75% marks.
- You should have updated your resume and linked in your profile properly with all CoachX certifications
- Once the mock interview is cleared, according to the company JDS we receive, you will have to send us an updated resume for every opening and candidates who are sharing their updated resume for that particular JD, their resume only will be forwarded to companies.

- We will start sending your resumes to the companies where we have associations, and they will call us or you directly for the interview.
- CoachX placement assistance is valid for two years from the course completion date.
- Remember to tag CoachX in Linked in for all your work you post as recruiters and companies associated with us will start noticing your work and they will approach you for relevant opportunities.

## Your Support For Any Hurdles

Email:

## Doubt-Solving Sessions

There will be doubt-solving sessions from Monday to Friday 8 PM to 9 PM.  
All updates regarding it will be received in your email and telegram.

## Updates and communication Channel

All updates you will receive via email so you need to be attentive to your registered email id only, no whats app communication will happen ever for any updates.

## Telegram Group

To get all real-time help and updates we form batch-wise student telegrams, a link you must have received in your email, it is mandatory to join it for all important communications. In case you have not received the link drop an email or WhatsApp on below support details.

Note - Wifi Does not support telegram - To download telegram turn off Wifi and turn on mobile data.

## Why Telegram - Why not Whats App group

To get all real-time help and updates we form batch-wise student telegrams, a link you must have received in your email, it is mandatory to join it for all important communications. In case you have not received the link drop an email or WhatsApp on below support details.

*Note - Wifi Does not support telegram - To download telegram turn off Wifi and turn on mobile data.*

Telegram is more essential than WhatsApp for professional purposes.

WhatsApp opens up your and trainers' personal number to everyone.

Especially trainers, women in groups many times do not want to share their numbers to all.

Students call teachers at any time so to respect every one's privacy it's telegram.

It is useful tool, and you will get used to it

*"Remember we are here with you and for you always  
and your success defines our success."*
